Introduction

1. Purpose of this Policy

Lochaber Housing Association's (LHA) Board of Management are a team of voluntary, non remunerated people who meet to lead, direct and monitor LHA's activities. This policy presents the arrangements for recruiting new members to the Board.

LHA aims to achieve the following outcomes from this policy:

- Establish a clear, fair and consistent process for the recruitment of Board Members;
- Promote the work of the Board and the non-financial rewards members receive from this voluntary activity;
- Assist potential candidates in understanding the role of a Board Member and the level of individual commitment required;
- Strengthen LHA's governance by basing Board Member recruitment decisions on our annual recruitment priorities and the best interests of LHA and service users;
- Achieve equality of opportunity and treatment of Board candidates irrespective of any protected characteristic a person might have or be perceived to have;
- Compliance with LHA's Rules, other policies, Regulatory requirements and the law.

2. Our Vision and Values

Lochaber Housing Association is a Scottish Charity (SCO 30951), registered as a Society under the Co-operative and Community Benefits Act 2014 and registered with the Scottish Housing Regulator (HAL151). Responsibility for running the Association lies with a Board of Management, which is elected from a broad membership of local people drawn from throughout Lochaber.

The Association was set up in 1988 as a response to the chronic housing need throughout Lochaber. This housing pressure was largely due to the impact of the Right to Buy on Council housing and the difficulty of accessing owner occupation because of high property prices fuelled by land cost and second and holiday homes. These problems are just as evident today as they were in 1988, notwithstanding the good work of the Association, The Highland Council, and other agencies in the intervening period.

Our mission is to facilitate the provision and maintenance of good quality, truly affordable housing opportunities and services for our customers in their preferred

communities, thereby helping to sustain and develop thriving communities throughout Lochaber.

The following core values inform and direct our strategic objectives. They are the basis on which we conduct our affairs, and they provide us with the direction needed to achieve our mission.

- We are committed to supporting communities
- We remain true to our charitable purpose
- Our services are cost-effective, efficient and reliable
- We are accountable and transparent
- We are prudent in our decision-making
- We are outward looking and evolving in our approach to business
- We are enterprising when considering direction and solutions
- We are creative and innovative in our problem solving

3. Responsibilities of the Board of Management and Rewards

Responsibilities

Our Board is a team of people who lead, direct and monitor LHA's activities. Board Members are accountable to each other, LHA's shareholding membership, service users and other stakeholders.

Board Members are required to combine their skills, knowledge, and experience to deliver the following responsibilities which reflect the Regulatory Standards of Governance and Financial Management as set out by the Scottish Housing Regulator:

- Lead and direct LHA's work to achieve good outcomes for its tenants and service users.
- Be open and accountable for what LHA does. Understand and take account of the needs and priorities of tenants, service users and stakeholders - focusing on the sustainable achievement of these.
- Manage resources to ensure LHA's financial well-being and economic effectiveness.
- Base decisions on good quality information and advice and identify and mitigate risks to achieving LHA's objectives.
- Conduct LHA's work with honesty and integrity.
- Ensure that the Board and senior officers have the skills and knowledge they need to be effective.

Conduct

Prospective Board Members will be required to commit (in writing) to upholding LHA's Code of Conduct for Board of Management Members before joining the Board and to

renew that commitment annually for as long as they remain on the Board. The Code of Conduct is based on these seven principles of good governance:

- Selflessness
- Openness
- Honesty
- Objectivity
- Integrity
- Accountability
- Leadership

People wishing to join the Board must be committed to serving the best interests of LHA and its tenants and to supporting the decisions of the Board, even on occasions when they disagree with them. Candidates must not be motivated by alternative or personal agendas.

Estimated Time Commitment from Board Members

The LHA Board meets regularly - usually on a Thursday approximately 8 times per year. As well as attending meetings and contributing to discussions, Board Members are expected to prepare for those meetings by reading the reports provided in advance. They are also required to participate in additional events such as annual appraisal meetings, training, attendance at conferences and business planning sessions. LHA has estimated that the average time commitment for a Board Member is around 60 hours per year, i.e. in the region of 5 hours per month.

ICT Equipment for the Board

Board Members will be issued with an LHA laptop at the commencement of their appointment and are required to agree to comply with the LHA Group Information, Communication & Technology Policy.

Rewards

Although being a Board of Management Member is unpaid (only out of pocket expenses are reimbursed), Board Members regularly experience the following non-financial rewards:

- Often the most rewarding aspect of serving on our Board is the sense of personal wellbeing and satisfaction gained from contributing to a cause aimed at benefiting the local community.
- LHA provides an effective induction and ongoing training and development to Board of Management Members. As well as gaining new skills and knowledge, this learning can be used as evidence of personal development for some qualifications and work towards achieving or maintaining professional body accreditation.
- Experience gained as a Board of Management Member often enhances individual employment prospects – knowledge and experience in strategic planning,

resource planning, risk management and performance monitoring are attractive to many employers.

- Being a Board of Management Member can also make good use of skills and knowledge gained by:
 - retired people during their previous employment
 - current or previous educational study
 - life experiences

- The Board is a team of people who care about the provision of quality housing and the positive impact that this and excellent services have on the wellbeing of local people. Meeting and working with new people who share these aims leads to a deeper connection with the community and others.
- Research conducted in 2013¹ found that volunteering is good for you:
 - 76% of people volunteering said it made them feel healthier.
 - 94% said it improved their mood.
 - 96% said it enriched their sense of purpose in life.

Health & Safety

The Association has in place appropriate measures to manage the health and safety of Board members.

Should a Board member be attending a conference or meeting outwith working hours, overnight accommodation will be made available.

The Board Member will be required to request the accommodation in advance.

This policy sets out the steps we will take to recruit new Board of Management Members to ensure the good governance of LHA.

4. Recruitment for Good Governance

Annual Recruitment Priorities

LHA's Board will annually agree recruitment priorities based on a self-assessment of the skills, knowledge, diversity, and objectivity that it needs for its decision-making. This assessment is based on the results of our annual collective and individual Board appraisal system and other good quality sources of information and advice. These priorities will be published in any Board recruitment promotional materials we produce.

As well as identifying the learning needs of existing Board Members, this work identifies what gaps there are that need to be filled through recruitment. This process considers

the governance responsibilities of the Board as well as the strategic challenges and opportunities facing LHA.

For example, the retirement of a Board of Management Member with specific technical knowledge/skills in construction may lead to a priority being set to encourage candidates with these qualities to apply to fill the gap that will be caused by that retirement. Recruitment priorities such as this can also apply to other specialised or general governance knowledge/skills, local knowledge or diversity factors that help the Board of Management to reflect the community it serves.

LHA believes that having a mix of established and new Board of Management Members is key to achieving good governance because we benefit from both experience and new ideas. The in-depth knowledge and understanding of experienced Board of Management Members is vital. However, new members can bring a new perspective that can help us to improve. Achieving the right mix of experience and new perspectives will also influence our recruitment priorities.

5. Eligibility for the Board

Prospective Board of Management Members will be required to complete a personal declaration confirming that they meet the eligibility requirements set out in our Rules. A list of the eligibility conditions is provided in Appendix 1. Failure to meet any of these requirements will result in an application to join the Board being rejected. In addition, no individual will be permitted to be nominated for membership of the Board (or the Governing body of one of our subsidiaries) if he/she is closely connected to an existing board or staff member of the LHA Group. The definition of “closely connected” shall be the definition ascribed to it in the Association’s Code of Conduct.

6. Categories of Board Membership

Based on the recruitment priorities identified, LHA will seek to recruit new Board of Management Members to one, some or all of the following categories:

- promoting opportunities to shareholding members for election at our Annual General Meeting (AGM).
- appointing a shareholding member to fill a casual vacancy.
- co-opting people.

7. Promoting Opportunities to Shareholding Members for Election

LHA’s Membership Policy includes a commitment to encourage the shareholding membership to consider joining the Board.

Elections to vacant places on the Board will take place at each AGM. The procedures for being considered for election are set out in LHA’s Rules (Rules 39 – 41) and consist of:

- Notification of election to all shareholding members.
- Nomination.
- Election.

Notifications for the AGM will be issued 28 days prior to the meeting taking place and will inform shareholding members of existing and anticipated Board of Management. Notifications will usually also include details of dates when those nominated will be asked to meet with the Chairperson and the Chief Executive to discuss their candidacy and find out more about what is involved in being a Board of Management Member.

Nominations must be in writing using the form provided by LHA and a shareholding member must be nominated by an existing shareholder – shareholders cannot nominate themselves for election to the Board. Completed nomination forms must arrive at LHA's registered office at least 21 days before the AGM. Nominations received after this deadline cannot be considered for election.

Elections at the AGM will be conducted by a poll. Every member either present in person or who has an appointed representative present will have one vote for each place to be filled. Each candidate will be asked to provide a short biography (no more than 200 words) that will be sent to all members and appointed proxy representatives in advance of the AGM where possible to inform their voting choices. The biography will be structured by LHA and ask candidates to:

- Describe what abilities they offer LHA compared to the annual recruitment priorities set by the Board of Management.
- Explain their motivation for wanting to join LHA's Board.

A further copy of the printed biographies will be handed out on arrival at the AGM.

Where the number of candidates standing for election is less than or equal to the number of vacant places, the Chairperson will declare them elected without a vote.

Board of Management Members serve normally for three year terms after which they are then eligible for re-election without nomination.

8. Filling Casual Vacancies

A casual vacancy occurs when an elected Board of Management Member leaves the Board between AGMs. The Board of Management has the authority to appoint a shareholding member to fill a casual vacancy until the time of the next AGM. Those appointed to fill casual vacancies will be required to stand down from the Board of Management at the next AGM – they can seek election if they wish to continue.

Those filling casual vacancies have full Board of Management Member status.

9. Co-opting People

Under our Rules, the Board may also appoint up to a third of the board membership as co-optees, who may or may not be shareholders of the Association. Co-options would normally be made to bring a specific expertise to the Board should this be required over a defined period or to assist the Board in dealing with a specific issue. Persons so appointed must stand down at the next AGM, although they may stand for election at

that time in the usual way. They may also be co-opted for a further period by the Board if it so wishes.

An additional two co-opted places are reserved for co-options by the Highland Council of two of its elected members. These Highland Council co-opted members remain as co-optees for as long as they continue to be nominated by the Highland Council and are not required to stand down and seek election or re-election at the AGM.

No Co-opted member of any kind can vote on matters relating to the membership of the Association or the election of office bearers; nor can they themselves stand for election as office bearers.

Our per our Rules the Association shall have a Board of Management which shall have a minimum of 7 and a maximum (including co-optees) of 15 persons.

10. The Recruitment Process

Benefits of a Consistent Process

LHA aims to establish a clear, fair, and consistent process for the recruitment of Board of Management Members irrespective of the Board membership category being pursued. Having a process that treats all candidates equally will enable LHA to:

- Achieve a fair and consistent approach to Board of Management recruitment.
- Assist prospective Members in understanding the role, responsibilities, and conduct requirements of the Board of Management.
- Ensure that LHA recruits Board Members who best meet the recruitment priorities previously agreed by the Board.
- Provide the necessary levels of support to candidates to ensure that no person is disadvantaged and to achieve equality of opportunity.
- Enhance compliance with LHA's Rules, other policies, Regulatory requirements, and the law.

Publicity

Aside from the process of notifying shareholders about Board vacancies leading up to the AGM, LHA will also advertise vacancies and anticipated vacancies using:

- Information to shareholding members of LHA.
- Adverts in the local press, journals, the LHA website and online publications
- Information to partner organisations and professional/trade bodies.
- Information to tenant organisations and community groups.
- Information to other voluntary organisations and social enterprises.

Adverts will highlight the recruitment priorities, particular skills, and knowledge we seek to strengthen the Board.

The process of advertisement may be supplemented by personal approaches from Members of the Board. In the event of such an approach being positive, the details of

the individual will be submitted to the Chief Executive, who will issue the recruitment pack.

Stage 1: Recruitment Pack to Candidates

Prospective Board of Management Members will be issued a recruitment pack, consisting of the following:

- Information on background and history of LHA.
- A copy of this Policy.
- A Board Member Role Description.
- A Board of Management Member Application Form, which asks for information relating to the prospective Member's eligibility to become a Board Member, details of their knowledge, experience and skills, and for personal information to allow equal opportunities monitoring.

On receipt of the returned Board of Management Member Application Form, the Chief Executive will establish the prospective Member's eligibility to join the Board using the criteria presented in Appendix 1. Ineligible applicants will be advised verbally and in writing and will not be permitted to progress further.

Stage 2: Candidate Meeting with the Chairperson

Eligible prospective Members will then be invited to attend a meeting with the Chairperson and the Chief Executive. The constant involvement of the Chairperson in this stage will bring a level of consistency to the process and enable the Chairperson to develop a level of expertise in this area. The purpose of this meeting is to:

- Establish that the prospective Member understands the role of a Board of Management Member.
- Establish the contribution likely to be made by the prospective Member, in the light of the knowledge, experience, skills and personal qualities sought by LHA.
- Establish the prospective Member's match with the recruitment priorities already agreed by the Board.
- Consider any specific training or additional requirements needed to enable the prospective Member to fulfil a Board Member role.
- Highlight the potential non-financial rewards from Board work.
- Explain and confirm prospective Member commitment to the Code of Conduct requirements for Board Members.
- Ensure that prospective Members are motivated by serving the best interests of LHA and tenants, and not alternative or personal agendas.
- Ensure that prospective Members can adequately meet the level of commitment required.
- Answer any questions from the prospective Member.

In the case of prospective members seeking to fill casual vacancies or co-option, this meeting is compulsory. (Please note: it is not a condition that members nominated must

attend this meeting in order to be considered for election at the AGM. However, this meeting forms an important early connection with existing Board Members that will enhance the induction process for those eventually elected.)

Prospective Members who have been nominated in the lead up to an AGM will be asked if they will write a short biography for distribution to the shareholding membership.

In the case of casual vacancies and co-option, following the meeting, the Chairperson will lead a discussion between the LHA representatives on the strength of the application in order to form a recommendation to the Board.

Stage 3: Chairperson Report to the Board

In cases where applications are made out with the AGM nomination process, the Chairperson will report to the Board with a recommendation. Where appointment is recommended the most appropriate category of membership will be proposed (i.e. co-option or filling a casual vacancy).

The report will compare the application against the recruitment priorities set by the Board. A recommendation to appoint will be made where the LHA representatives who attended the meeting with the prospective Member conclude that the recruitment priorities have been met and they currently meet or have strong potential to meet the Board Member requirements.

Recommendations to appoint will be conditional on the prospective Member attending a Board meeting to meet Board Members, introduce themselves and observe non-confidential agenda items.

Board Members will make the final decision on appointment after the prospective Member's attendance at a meeting.

Stage 4: Notification of Board Decision

The Chairperson will inform prospective Members of the Board of Management's decision in writing within one week of the Board meeting.

The Board of Management's decision in this matter will be final and there will be no right of appeal.

11. Equal Opportunities

We will strive to achieve equality of opportunity and treatment for all in all that we do. We will do this irrespective of any protected characteristic a person might have or be perceived to have. Section 4 of the Equality Act 2010 specifies nine protected characteristics:

We will consider the needs of hard to reach groups and will make reasonable adjustment, if possible, to assist people to apply to join the Board and play an active role once appointed.

- We will record reasons for selection and rejection of candidates for Board vacancies.
- We will only ask health related questions to allow us to assist candidates during the recruitment process and to ensure reasonable adjustment can be made to accommodate the person and to ensure the person is able to carry out essential aspects of the role.

12. Data Protection

The Association will treat Board Members and prospective Board Members personal data in line with our obligations under the current data protection regulations and our own data protection policy.
