

Join our Board of Management

Lochaber Housing Association are seeking Voluntary Board Members to assist in the running of the Association which provides affordable housing and related services throughout Lochaber.

What skills do I need?

We are looking for enthusiasts with a diverse range of backgrounds and the necessary skills and experience in areas such as:

- finance
- customer care
- asset management
- performance management
- human resources
- risk management
- community regeneration.

There is no requirement to have any previous Board experience, above all, we want open, fair-minded individuals who want to help others and value participation over reward.

As a Board Member you will be responsible with others for providing the strategic leadership and direction of the Association, and be involved with the planning, governance, monitoring, and control of the delivery of services to our tenants and service users. The Board works closely with the senior management team to achieve these aims.

How often do I have to attend meetings?

Attendance is required at approximately 8 evening meetings throughout the year, the majority of which are online. These are voluntary roles, but we can offer out of pocket expenses, including travelling costs, to facilitate attendance at meetings. You are not required to live in the Lochaber area but you should be able to demonstrate your support for the objectives of the Association.

We are an equal opportunities organisation and positively encourage applications from suitably qualified and eligible candidates regardless of sex, race, disability, sexual orientation, age, religion or belief.

Interested?

For more details about this significant opportunity to contribute to the improvement of housing choice and services in Lochaber, please email info@lochaberhousing.org.uk or telephone Jenny MacKay, Director of Customer Services on **01397 702530**.

For an informal discussion, telephone **01397 702530** and ask for our Chief Executive, Margaret Moynihan.
