

March 2024

# Development Update

**Project: Upper Achintore**

**Site Start: 4th October 2021**

**Expected Completion: 19th June 2024**

Works are progressing well in Zone 2 at the top of the hill with, cladding on the final block close to completion. All scaffold on site will be removed at this point. Internal works are at various stages, with taping and finishings ongoing.

A further 45 properties for affordable rent are due for phased completions between April and June this year.
